TOGETHER

Together we've come through another year and together we've made many memories of times, places, and people. We may forget many of our times together but we will always remember our 50 I's at band contest, the class plays, the games, study halls, prom and graduation. These brought us together and these memories will once again bring us together.

Homecoming activities began on Tuesday and Wednesday nights when the students of Galva High began the construction of their floats.

Thursday evening was highlighted by the crowning of Queen Diane and King Greg. Following the coronation, the cheerleaders and football players presented skits. The excitement of Homecoming rose as a pep rally and large bonfire took place to boost the school spirit.

The Homecoming parade was held on Friday afternoon. This year, once again, the Junior High walked away with first prize.

The Homecoming activities began to draw to a close on Friday night when the Lytton Bulldogs tangled with a fired-up Blue Devil team. Despite the crowd's victory cries, the Devils fell victim to the Bulldogs with a score 20 to 13.

WE'LL ALWAYS

"Pieces of April" was chosen as the theme for the 1974 Junior-Senior Prom. A wishing well, flowers, and parasols were used to decorate the Harbor House for the Prom on April 20th. The memorable occasion began with a dinner followed by a short program. The highlight of the evening was a dance featuring "None Too Young."

**THE FUTURE
BEGINS WITH A
SINGLE THOUGHT**

The years have gone by so fast. It seems like only yesterday that we were small, careless children. Now, through the years we have grown into young adults; with our friendships getting stronger. We've laughed together, cried together, and worked together. These days are over now. We must face the world alone. But in our hearts we'll always be glad for the time we've shared together as the "Class of 1974".

The band has once again had a very active year. The fall activities centered around Homecoming and performances during half-time of football games. Following the football season, the band began rehearsals for concerts and contest. The band presented four concerts throughout the year. At small group contest the band set a new state record by receiving 50 I's. In addition to the 50 I's, the band also received 24 II's and only one III. At large group contests, the band received a I rating. This is the 12th straight year for a I rating for the Galva Band.

The Galva Blue Devils pleased their many fans by putting together a 3-6 record. Both the defensive and offensive teams showed a great deal of improvement. The team compiled 1270 total yards, with 746 yards rushing and 524 yards passing.

There were many players who did an outstanding job during the season. Three Blue Devils were rewarded for their fine performance by being selected All Conference players.

Next years team will have the difficult job of filling the shoes of eight graduating seniors, but everyone is looking forward to another year of great football.

Good things come in small sizes, that's what you could say about the 1974 girls track squad. The team of eighteen displayed ambition, desire, and good sportsmanship throughout the season. From the eleven meets in which they participated, the Galva gals were presented ten trophies, two of which were first place. Some highlights of the 1974 season include the breaking of seven school records, placing third at Districts, seven girls qualifying for the State Track Meet, and conquering all Bo-Con track teams to come out first at conference. Coach Stevens is expecting another very fine season next year!

This spring proved to be a very busy time for the track team as they participated in seven track meets. The meets that the team took part in were the Holstein Relays, Bulldog Relays at Aurelia, Alta Relays, Trojan Invitational at Odebolt, Rocket Relays at Schaller, District and Bo-Coon Conference meets at Schaller. Even though the team did not score many points, it was a year in which a great deal of improvement was shown. The team scored three points at the Rocket Relays, Bo-Coon Conference meet, and at the Trojan Invitational at Odebolt. Since the team was made up of underclassmen, the future looks good for the track team.
